U. S. STEEL, OTHER BIG **CORPORATIONS WOULD BE** 

A congressional investigation of recent price boosts by big corpora-tions, especially U. S. steel, was proposed to the house banking committee today by Rep. Spence (D-

Ky.), Chairman Wolcott (R-Mich.) said representatives of U. S. Steel might be asked to testify before the com-mittee—"perhaps later this week." Rep. Smith (R-Ohio) objected to the proposal, saying:

"We should be careful not to make a scapegoat of industry. It's politicians in Washington who are responsible for the high cost of living."
"Searching for Cause

Spence replied:
"If we are searching for the cause of high prices, then call here the chairman of the boards and presidents of these big corporations that are making price in-creases affecting the cost of living and the nation's welare."

The inquiry was proposed as the house and senate banking committees resumed their studies of President Truman's anti-inflation pro-This program includes a proposal for an excess profits tax. Paul Porter, heading the administration's drive for legislation to curb rising prices, told senators that in his opinion congress has been wasting "much precious time" in considering Mr. Truman's eco-

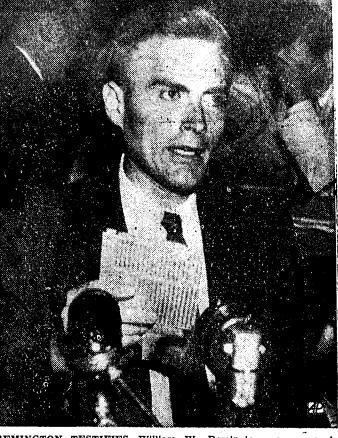

omic plans. Porter Raps Hearings Porter Raps Hearings
Porter already has appeared before the house group. He said that

He named Gerhart Eisler as an
example of a person in this classification. Eisler has been described by a house committee as the
No. 1 Communist in America.

2. The trunk, which he said includes open party officials, such as
William Z. Foster, Communist
president.

3. The hearches including "pecding that some Comm

president.

3. The branches, including "people who profess to be non-Communists but are Communists."

Most Meetings Secret

About 70 per cent of the Communist party's business in this country is done through "ecret apartment house meetings where open party members meet with professed non-Communists, he testified.

Budenz, who left the party in 1945, told the committee that the party's status as fifth column for Russia in this country is proved by three factors:

"The transvered "confuse members were "confuse thought they were log country.

"Then the avowed purton in the very state of the United States gove asked.

"That right, and the dominance of the Soviet government of Russia of Palestine during the truce regardless of Jertons.

"The the avowed purton in the country to party in the communist party is the of the United States gove asked.

"That right, and the dominance of the Soviet government of Russia over the United States," Budnez replied.

He said Communist officials controls that are exercised over them from Mostanday in the country.

Bernadotte said yester recommended to the permitted freely to their homes in Jewish-of Palestine during the truce regardless of Jertons.

He said Communist officials controls that are exercised over them from Mostanday in turing geven the problems are exercised over them from Mostanday in turing geven the country.

The the source of the United States goven the permitted freely to their homes in Jewish-of Palestine during the truce regardless of Jertons.

Bernadotte said his will be devoted mainly to settle the problems geven the problems are exercised over them from Mostanday in turing geven the country.

The truce of the Soviet government of Russia of the United States, and the dominance of the Soviet government of Russia of the security council that Ara be permitted freely to their homes in Jewish-of Palestine of Explosions or occurrence of the Soviet government of Russia of the Indian Arabic problems are commended to security council that Arabic problems are commended t

# Ray Is Baptized, Facing Death On Rape Conviction

William Ruthes Ray, convicted rapist of a nine-year old Fort Worth girl, was baptized at the Fifth Avenue Church of Christ Friday by Minister Claude A.

Condemned to die by a district Condemned to die by a district court jury here this month, the 33-year old ex-soldier was taken to the church by Deputies Sheriff Raymond Myrick and Jack Megarity. The prisoner was hand-cuffed when led from his "death cell" in the county jail.

White Robe Worn. Wearing a white baptismal robe, Ray confessed his sins and was baptized in the presence of a dozen persons who participated in a brief religious service, Bill Cofer led the group in the
